**S**tep forward and light your own path through this special voyage to India. You will visit Places of Gold and others perceived not so sacred with a knowing that this is a journey of the heart and soul that will be life changing.

Feed your body, enhance your senses, marvel at your soul's voice as we explore Delhi, Jaisalmer, Jaipur, Chandigarh and consolidate your creative heart's experience in Anandpur Sahib at Yogi Bhajan's residence. The trip ends in Amritsar and at the Golden Temple.

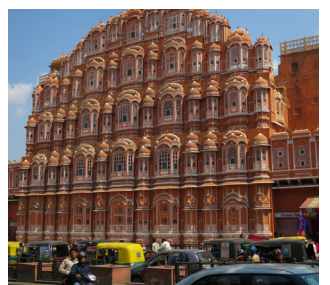

We will Breathwalk at the Akshardham Temple, in the Thar Desert, in Bani village along the Sutlej canal green space, and on the Parkarma of the Golden Temple remembering that Life is layered with experiences that shape your intentions, your actions, your projections, your words.
